

**Fire Prevention and Emergency Response  
Standard Procedures  
(March 15, 2020)**

**Be Prepared**

- **Smoke Alarms:** Mount smoke alarms in or just outside bedrooms. If using regular batteries (as opposed to 10-yr.), change batteries once a year. Smoke alarms are not reliable after 10 years even if they test as okay.
- **Fire extinguishers:** Keep serviced yearly. Keep near exit and other key positions. Know where they are. To use pull the pin, sweep side to side at the base of the flames. Do NOT use on grease fires; instead throw a lid, towel or blanket on a grease fire.
- **Trailside Extinguishers:** Familiarize yourself with the location and use of the trailside fire extinguishers, in the trailside sheds. To use, pull pin, push handle down, use nozzle to sweep side to side.
- **Sirens:** Know where the 3 sirens are mounted: 1) in front of fire hall; 2) on telephone pole about 100 meters east of the Kushtahini bridge; 3) on telephone pole about 100 meters west of the community center. On each, lift the lever on the right to sound the alarm. It will, in turn, activate the other sirens.
- **Prevention:** Keep petroleum products and combustibles away from ignition sources. Know how to turn off gas canisters, etc. if a fire starts. Handle oily rags properly. Clean chimneys with brushes regularly.

**In Case of Emergency**

- **VHF Radio:** If you have a VHF radio, call on channel 16 to announce that there is a fire, etc. and where it is. Stand by (or return to) the radio to repeat the call and answer callbacks.
- **Siren:** Pull the nearest siren (See locations above). Lift the alarm lever and let it sound for 1 to 2 minutes; then turn it off (depress the lever.)

**In case of emergency, contact Chief Treacy (736-2250) or Mayor Dan Kennedy (736-2252). If they are not in town, contact the Alaska State Troopers for emergencies and/or Guardian Life Flight for medical evacuation**

**Emergency Phone Numbers:**

**Guardian Flight: (Local Juneau) (907) 264-2388 (888)-997-3822**  
**Bartlett Hospital: (907) 796-8427**  
**Coast Guard: (907) 463-2000 (800) 478-5555. VHF Channel 16**  
**Alaska State Troopers: (907) 465-4000**  
**Poison Control: (800) 222-1222**

**2020 ETT Team Members:**
